Rue du Chemin Vert
Paris

Hello! I'm Sara Hansali, a motivated and curious **architect** who chose to pursue a **specialized master** in real estate development.

I'm a fast learner and a team worker, who is interested in the world of office real estate, **building renovation** and virtuous design.

Currently based in Paris, I'm open to listening to new opportunities in **project management** or workspace consulting starting December 2021.
